Trustee vacancies with Carers Trust 4all

Carers Trust 4all is a registered charity with a vision for every carer to be recognised, supported and offered services to help them maintain their own health and wellbeing. Every day an army of 7 million carers contribute their time and resources to help loved ones with care needs, often at the expense of their own health and wellbeing. We have a mission to provide services for carers and the people they support, ensuring no one is caring alone.

We are looking for new Trustees to join our enthusiastic Board. Ideally candidates will have strategic vision, independent judgement and an ability to think creatively. Although passion and commitment are the most important qualities, we are looking for individuals with experience in:

- Health & Social Care – knowledge of commissioning
- Accountancy – ideally a qualified cost & management accountant who would be prepared to take on the Treasurer role at a future date
- Law – ideally from a large practice who could support the charity with their legal expertise

We aim to maintain a board where 50% of Trustees are or have been carers themselves and we are therefore particularly interested in applications from individuals who have an understanding of the needs of carers.

Carers Trust 4all works across Cheshire & Warrington, Greater Manchester, Merseyside and Shropshire and we welcome interest from across our footprint. Please visit our website to see an overview of the services we provide: www.carerstrust4all.org.uk Trustees will be given a full induction covering all aspects of our work. Travel and out of pocket expenses will be provided. We anticipate the role will require a contribution of approximately one day per month.

If you are interested, please email your CV or alternatively our Chief Executive would be happy to have an informal discussion.

Our email address is ho@carerstrust4all.org.uk or telephone **033 33 23 1990 Option 4.**

We value diversity and encourage applications from all sectors of the community.
