### **Trustee vacancies at Carers Trust 4all**

Carers Trust 4all is a registered charity with a vision for every carer to be recognised, supported and offered services to help them maintain their own health and wellbeing. Every day an army of 7 million carers contribute their time and resources to help loved ones with care needs, often at the expense of their own health and wellbeing. We have a mission to provide services for carers and the people they support, ensuring no one is caring alone.

Our organisation is supported by a strong, experienced Board of Trustees with wide ranging knowledge and skills. We are looking for new Trustees to work with us to continue to deliver outstanding support for carers and people with care needs. Ideally candidates will have strategic vision, independent judgement and an ability to think creatively. Although passion and commitment are the most important qualities, we are particularly looking for skills and experience in:

- Health & Social Care
- Clinical expertise
- Commissioning
- Accountancy & Law
- Understanding of the needs of Carers

Carers Trust 4all work across Cheshire & Warrington, Greater Manchester, Merseyside and Shropshire and we welcome interest from across our footprint. Trustees will be given a full induction covering all aspects of our work. Travel and out of pocket expenses will be covered. We anticipate the role will require a contribution of approximately one day per month. If you are interested in supporting our work, or would like an informal chat with our Chief Executive and Chair, please send you CV to [ho@carerstrust4all.org.uk](mailto:ho@carerstrust4all.org.uk) .
